**LIST OF ITEMS TO BE SEIZED AND SEARCHED**

1. With respect to the locations identified in Attachment A, I am requesting authorization to search for and seize any and all biological evidence pertaining to the assault described in the continuation to my application for search warrant. The biological evidence to be seized includes blood, hair and bodily fluids.
2. In addition, I am requesting authorization to search for and seize improvised or actual weapons used or potentially used in the assault described in the continuation to my application for search warrant. This would include items that were identified by witnesses in this case as improvised weapons used by BALDWIN, to include cellular telephones,<sup>1</sup> glass jars, knives, chairs and club-like objects.
3. Finally, I am requesting authorization to search for and seize other evidence of the violent physical altercation described in the continuation to my application for search warrant. This would include damaged clothes, broken furniture, and other household accessories that show signs of being damaged in a physical altercation.
