I had set up a meeting tomorrow in office with client anticipating that I would have been back to work on November 7th.

I think I should follow through with it and I wanted to know if you were going to be in so we could meet as well.

Just keeping you informed.

Kimberlee,

Until you and I have a meeting you will not be meeting with any clients, contacting clients or working with clients. I need to postpone the meeting that you scheduled for tomorrow with the client. Please let me know who needs to be contacted and I will reschedule for later next week on behalf of NSB. Please provide me with the client name and contact information as well as meeting details as soon as possible so we don't inconvenience the clients schedule for tomorrow.

I arranged my schedule to be able to meet with you last Thursday and you declined. This week my schedule is extremely full and I am not able to be in Traverse City until after the Thanksgiving holiday. As soon as I have confirmation of several meetings the week of 12/2 I can align my schedule and I will contact you for a meeting time.

Thank you!
