Deputy Cadwell,

Yik Yak has reviewed your request to disclose user information on an exigent basis. Based on the facts that you have provided, however, Yik Yak does not have a sufficient basis to form a good faith belief that the posts in question constitute "an emergency involving danger of death or serious physical injury . . . requir[ing] disclosure without delay of communications relating to the emergency." See 18 U.S.C. §§ 2702(b)(8), (c)(4). If you have additional information evidencing that this is, in fact, such an emergency, please send it to us as soon as possible.

Otherwise, Yik Yak can only disclose user information pursuant to appropriate legal process that complies with the requirements set out in the federal Stored Communications Act, 18 U.S.C. § 2701 et seq. For further information, please consult our law enforcement guidelines, available on our website at: <http://www.yikyakapp.com/legal/>.

If you have any additional questions, please do not hesitate to contact us again.

Thank you,

Yik Yak Legal
