1. <b>POSSESSION OF DANGEROUS CONTRBAND</b>	<b>9/26/2016</b>
2. _____	_____
3. _____	_____

**TO BE COMPLETED IF PRISONER IS RECEIVING  
OUTPATIENT MENTAL HEALTH SERVICES OR SPECIAL EDUCATION SERVICES**

Qualified Mental Health Professional (QMHP)/special education teacher recommendation as to whether the prisoner's mental health needs or limitations can be met in administrative segregation:

We have reviewed the above misconducts and, if applicable, the Misconduct Sanction Assessment (CSJ-331) and reclassify the prisoner to administrative segregation because the misconducts:  
(check all that apply)

- Demonstrate an inability to be managed with general population privileges.
- Show that this prisoner is a serious threat to the physical safety of staff and/or other prisoners or to the good order of the facility.
- Show that this prisoner is a serious escape threat.

We have determined that administrative segregation is the most appropriate placement for the following reasons: (If the QMHP/special education teacher recommendation is not followed, must include alternative placement that was considered and the rationale for the decision)
